

Officeworks - MiniMint bonus transactions offer Fax back/mail back claim form

Congratulations on purchasing MiniMint portable payment software and printer/card reader from Officeworks. You'll soon be able to accept credit card transactions, and print receipts for your customers. To get you on your way, we're giving you 30 free credit card transactions. To claim your transactions:

1. Fill in the form below, including Mint printer/card reader serial number
2. Photocopy your Officeworks receipt as proof of purchase
3. Fax or mail back both documents

First Name: _____

Surname: _____

Company Name: _____

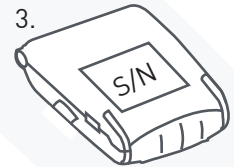

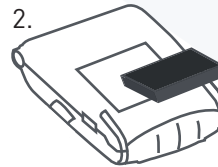

Phone: _____

Fax: _____

Email: _____

Mint printer/card reader serial no: _____

Important: The Mint printer/card reader's serial number is located under the battery (not on the battery) on the back of the device as shown in the diagram.

Remove the battery

Record S/N number on base of printer (under the battery, not on the battery)

Turn the printer over

I wish to claim the 30 free transactions for purchasing MiniMint software and MiniMint printer/card reader at Officeworks.

Signature: _____

Offer only valid for Officeworks customers who purchase the MiniMint software and Mint printer/card reader together. Customers must fill in this claim form and provide proof of purchase to receive 30 free transactions. When the claim form is received and approved, 30 transactions will be added to the customer's account. Mint credit card transactions are usually charged at 99c. Cash and cheque transactions are free. All prices include GST.
