NICOLE KARIN AUSTRALIAN FEATURED ARTIST

Nicole Karin, a self-taught colour pencil artist, creates her art in her studio in Wollongong. She finds inspiration in the beautiful coast and wildlife that surrounds her.

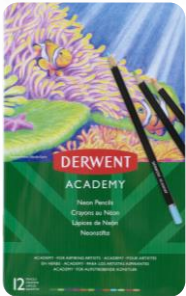

Nicole had always been interested in art and drawing, winning school art competitions, but never pursued it as a career. At the beginning of 2017 she started dabbling with different media, and after watching a number of YouTube tutorials, decided colour pencils suited her lifestyle and she never looked back. By the end of 2017 she had sold a number of original artworks, locally and internationally, and with the encouragement of family and friends started selling prints and cards of her work. She has since exhibited her art, had illustrations published, and presented pencil demonstrations. She currently works as a commissioned artist.

Nicole’s favourite Derwent Products to use for her detailed animal portraits are the Lightfast and Drawing pencil range.

For her own pleasure, Nicole enjoys experimenting with Derwent Inktense Pencils and Pan sets, particularly on fabric. Additionally, she finds the Derwent Metallic pencil range to be a lot of fun. When it comes to general sketching and illustrating, she prefers using either the 2B or 4B Derwent Graphite Pencil. Nicole still cherishes her first ever tin of Derwent Studio Pencils, which she saved up for as a child.

Nicole’s Australian themed artwork is featured on the Derwent Academy Neon, Pastel & Metallic Colour Tin Editions.
