## SECTION 2 – POLICY TERMS AND CONDITIONS

### About this Insurance

#### Summary of Cover

This Policy is designed to provide cover for certain:

- Accidental Damage to;
- Accidental Loss of; and
- Theft of,

the Insured Appliance, which occurs anywhere in Australia or New Zealand during the Policy Term.

It also provides the following additional covers:

- unauthorised voice calls; and
- toll free telephone technical assistance.

Only the following types of appliances may be covered under the Policy:

- Mobile Phones
- Tablets
- Notebooks
- televisions
- portable audio/visual equipment
- wearable electronic devices

- Electronic Readers.

We will determine whether to Repair, replace or pay You the Cover Amount in relation to the relevant covered loss or damage, less the relevant Excess.

The above is a summary only and You need to read the Policy to understand the full terms which apply to the cover.

### Accidental Damage Cover

If the Insured Appliance suffers Accidental Damage during the Policy Term which occurs in Australia or New Zealand, We will at Our option Repair or replace the Insured Appliance or pay the Cover Amount, subject to the applicable Excess and other Policy terms.

If the Insured Appliance is Repaired, that Repair may be carried out using new or used parts. Any replacement parts will have the same functionality as the original parts.

Under the Accidental Damage cover, there are different settlement options We may choose at Our sole discretion (subject to and in accordance with the Policy terms):

Our decision options	We decide to Repair the Insured Appliance	The Insured Appliance is a Deemed Total Loss and We decide not to Repair the Insured Appliance	The Insured Appliance is an Actual Total Loss
<b>The Settlement</b>	We will Repair the Insured Appliance subject to the applicable Excess being paid.	We will either provide You with a Replacement Appliance or pay You the Cover Amount less the applicable Excess.	We will either provide You with a Replacement Appliance or pay You the Cover Amount less the applicable Excess.

<b>Will the cover under the Policy continue?</b>	Yes	Yes, if We provide You with a Replacement Appliance. No, if We pay You the Cover Amount.	No

### Accidental Loss Cover

If an event arises, resulting in Accidental Loss within Australia or New Zealand to the Insured Appliance during the Policy Term, We will at Our option provide a Replacement Appliance, or pay the Cover Amount, subject to the applicable Excess and other Policy terms. If We provide a Replacement Appliance or pay the Cover Amount for Accidental Loss, the cover under the Policy ends.

### Theft Protection Cover

If the Insured Appliance is the subject of a Theft during the Policy Term from:

- Your person or Your personal belongings, while in Your possession within Australia or New Zealand; or
- A secured building or a locked and fully enclosed vehicle or marine craft, within Australia or New Zealand and there is evidence of Violent and Forcible Entry during the Theft,

We will at Our option provide a Replacement Appliance or pay the Cover Amount, subject to the applicable Excess and Policy terms.

If We provide a Replacement Appliance or pay the Cover Amount for Theft, the cover under the Policy ends.

### Replacement

If We elect to replace the Insured Appliance with a Replacement Appliance, it will be an identical appliance or, if an identical appliance is not available, an appliance with equivalent specifications to the Insured Appliance. The cost of replacement will not exceed the Original Purchase Price of the Insured Appliance. The Replacement Appliance We supply may have a lower selling price than the Insured Appliance. What will constitute a Replacement Appliance will be determined by Us at Our sole discretion based on a current item with equivalent specifications.

What constitutes a Replacement Appliance is not limited to the manufacturer's brand of the original Insured Appliance. We will take account of availability and changes in technology in determining what a Replacement Appliance is.

See the table under the Accidental Damage Cover above which describes when the cover under the Policy may continue in relation to the Replacement Appliance provided to You.

If We agree to replace the Insured Appliance We will authorise Our authorised repair/replacement agent to contact You within 3 business days to arrange a Replacement Appliance.

If We replace the Insured Appliance then the Insured Appliance so replaced will become Our property.

If a Replacement Appliance is provided to You as a settlement under the Accidental Loss Cover or Theft Protection Cover, the cover under the Policy will end when the Replacement Appliance is provided to You.

### **Guaranteed Repair Period**

If We agree to Repair the Insured Appliance, We aim to have the Repair completed within the Guaranteed Repair Period listed below.

If You send the Insured Appliance to one of Our authorised repair/replacement agents and We accept it as a valid claim, and decide to Repair it, but it is not able to be Repaired and dispatched to You within the Guaranteed Repair Period set out below, We will offer to replace the Insured Appliance or pay You the Cover Amount.

The Guaranteed Repair Period:

- begins when Our repairer takes possession of the Insured Appliance to be Repaired; and
- ends:
  - a) in relation to Mobile Phones 3 business days after the repairer takes possession of it; or
  - b) in relation to Tablets, Notebooks and Electronic Readers, 7 business days after the repairer takes possession of it; or
  - c) in relation to televisions, portable audio/visual equipment, cameras and wearable electronic devices, 14 business days after the repairer takes possession of it.

### **Option to replace or pay the Cover Amount**

If We determine that the claim is valid and decide to Repair the Insured Appliance, We may at any time thereafter decide instead of Repairing, to replace the Insured Appliance or pay the Cover Amount.

### **Unauthorised Calls**

Subject to the following and the other terms of the Policy, if the Insured Appliance is a Mobile Phone, We will cover You for any unauthorised voice calls made on the Insured Appliance following a covered Theft or Accidental Loss occurring during the Policy Term up to a limit of \$1,000 (including GST).

Cover will be provided for unauthorised voice calls made during a 24 hour period immediately prior to notifying Your voice services carrier of the Theft or Accidental Loss of the Mobile Phone provided You notify Your voice services carrier of the Theft or Accidental Loss of the Mobile Phone as soon as possible after the Theft or Accidental Loss of the Mobile Phone. When You contact the voice services carrier, You must request that the voice service be suspended and blocked for the covered Mobile Phone (which includes requesting the voice service carrier to block and suspend the Mobile Phone's IMEI and the SIM card).

### **We will not cover You for:**

- any unauthorised calls made using software applications on the Mobile Phone (for example, voice calls made through Skype);
- any software applications or services purchased on the Mobile Phone; or
- any data usages.

We will not pay You for this cover unless the applicable Excess has been first paid.

### **Toll Free Telephone Technical Assistance**

We will provide You with advice on technical problems in relation to the Insured Appliance during normal business hours (Monday to Friday 9am – 5pm AEST) during the Policy Term. You can access this benefit by telephoning Our Toll Free number in Australia: 1800 008 104. For a Mobile Phone, a Notebook and a Tablet, this technical support is limited to advice in relation to technical problems with hardware or the software supplied with the Insured Appliance when it was purchased.

We will outsource this technical advice service to suitably qualified technicians according to the type of Insured Appliance. The advice You receive will be based on the latest technical knowledge available at the time, but will not include the engagement of other parties to carry out any work or conduct further testing.

### Policy Term

Cover will commence on the date You purchase the Policy. Your cover will end when any of the following occurs:

- the Policy is cancelled (see section 'Cancellation' in this Policy);
- the Policy Term expires; or
- the Policy otherwise ends in accordance with the Policy terms or relevant law.

### Cost of this Insurance

The premium payable for the Policy will be shown on Your Policy Schedule. When calculating the premium, the following factors, amongst others, are taken into consideration:

- the Policy Term selected; and
- the Original Purchase Price of the Insured Appliance.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) in relation to Your Policy. These amounts are included in Your Policy Schedule as part of the total premium.

### Excess

All refunds for cancellations are calculated for the unexpired portion of the Policy on a pro-rata basis. We will retain any tax and duties We cannot recover from the refund amount and We may also deduct any reasonable administrative costs for the cancellation.

### Cancellation by Us

We may cancel this Policy only for the reasons permitted by the Insurance Contracts Act 1984 (Cth). If so permitted to cancel the Policy We will do so by giving You notice in writing in accordance with the Insurance Contracts Act 1984 (Cth).

**Claims Example 3:**

Your Insured Appliance, a Tablet with an Original Purchase Price of \$1000, has been stolen. We will arrange for Our authorised repair/replacement agent to send You a Replacement Appliance.

If any damage or loss covered under Your Policy is covered under another insurance policy, You must give Us details of such insurance.

Where You would be covered under Your Policy for the relevant damage or loss but another policy under which You are the contracting insured also covers (all or part of) the relevant damage or loss, You can choose which policy(ies) to claim under.

We may, at Our discretion, undertake in Your name and on Your behalf, control and settlement of proceedings for Our own benefit, to recover compensation or secure indemnity from any party in respect of anything covered by the Policy in the event that Your claim under the Policy is accepted.

You are to assist and permit to be done, all acts and things as required by Us for the purpose of recovering compensation or securing indemnity from other parties to which We may become entitled or subrogated, upon Us settling Your claim under the Policy regardless of whether We have yet settled Your claim and whether or not the amount We pay You is less than full compensation for Your loss.
