Mulgrave's newest retailer celebrates store opening with charitable donations

Officeworks is helping residents in Mulgrave achieve their big ideas by opening the doors to its brand new store on Saturday 19th November – a development that will create 23 jobs for the area.

To mark the opening and demonstrate Officeworks' commitment to local initiatives, the Mulgrave team will be donating \$2,000 to not-for-profit community organisation, [Peppercorn Services](#), as well as \$2,000 to [South Windsor Public School](#).

The charitable presentation will take place following the opening, on Thursday 24th November at 11am. Officeworks Managing Director, Mark Ward and newly appointed Store Business Manager, Ben Foeken, will present the charitable cheques alongside Hawkesbury City Council Mayor, Mary Lyons-Buckett, at the ceremony.

The Mulgrave store is the retailer's 161st opening in Australia and will offer local residents and businesses a comprehensive range of office supplies, technology and furniture products, along with an extensive range of Print & Copy services and Mailman parcel delivery service.

The store will be open from 7am-9pm Monday to Friday, from 8am-7pm on Saturday and 9am-7pm on Sunday, allowing locals to enjoy longer trading hours.

Residents will also have regular opportunities to be inspired and learn new skills with a schedule of helpful 'How To' classes in-store on selected weekends; while kids can get creative at Ollie Kids' Club workshops held during school holidays.

Ben is looking forward to introducing local customers to the wide range of products, great service and everyday low prices that have been helping Australians make bigger things happen for more than 20 years.

He said: "It has been great to see the positive reaction from locals since announcing we were opening in Mulgrave. The team is working hard to get the store ready for customers and can't wait to help them with their projects, big and small.

"We're very much looking forward to hosting our opening ceremony and supporting two important initiatives on November 24th."
