

Colour Slime Recipe

Make colourful slime without the fuss using Elmer's Color Glues that come in vibrant, opaque colours and gem-like, translucent hues! Simply mix with a few common household ingredients. It's super easy and kid-friendly!

supplies needed

- 147ml (5oz) Elmer's Color Glue
- ¼ cup Elmer's Magical Liquid
(note: 1 bottle of Magical Liquid can make 4 portions of Slime)

instructions

1. Pour out entire contents of the 147ml Elmer's Color Glue into a bowl.
2. Gradually add ¼ cup of Elmer's Magical Liquid a teaspoon at a time, mixing thoroughly in between until slime forms.
3. Mix until slime forms and it begins to get harder to mix.
4. Take the slime out and begin kneading with both of your hands until slime reaches desired consistency.
5. If needed, add a little more Magical Liquid to make slime less sticky.

*Adult supervision is required; This project is not appropriate for children under the age of 3 years. Always wash your hands before and after making and playing with slime.
