Utensils Needed

Instructions to Make Slime Art:

1. Pour out 1 bottle of Elmer's Glow in the Dark Glue into your bowl.
2. Add Elmer's Magical Liquid a little bit at a time (about 1 tsp worth) and mix into the glue until slime begins to form.
3. Take the slime out of the bowl and knead until it reaches your desired consistency, adding more Magical Liquid if it's still too sticky.
4. Repeat steps 1-3 for the two other colors of Elmer's Glow in the Dark Glue so all of your slime has been made.
5. Tear off pieces of slime and create shapes right on your surface or on a posterboard! You can use a stencil to help or use your own imagination!
6. Take your creation somewhere dark and watch your slime art come to life in the dark!
