WANT TO CHANGE  
YOUR BLU TACK  
COLOURS? JUST  
ADD FOOD DYE.

## STEP 1. SHAPE BLU TACK

Create teardrop shapes out of coloured Blu Tack.

## STEP 2. STICK IT

Starting at the top and working your way down, stick Blu Tack onto the pot. Layer colours to create custom patterns.

## STEP 3. SET IT

Make sure your creation is stuck for good with a generous spritz of our Spray Adhesive.

## STEP 4. LEAVE TO DRY

Leave to dry for 10 minutes and get ready to pot your plant!
