

Recycling Pop-Up Day

In partnership with Close the Loop, we are holding a People and Planet Positive Recycling Pop-Up Day! Recycle your used household batteries and tech products safely, and help us make a positive difference to people and the planet.

Face painting will be available from **10am to 1pm** for the kids.

When: Saturday 6 April

Where: Officeworks Coburg Car Park,
6 Gaffney Street, Coburg

Time: 10am – 3pm

Close the Loop

officeworks

Have you ever wondered what happens to your items once they are recycled? Close the Loop will be holding a display on the day to explain the recycling process.

Who is Close the Loop?

Officeworks has been partnering with Close the Loop for over 20 years, recycling ink and toner cartridges with zero waste to landfill through the Cartridges 4 Planet Ark program. They turn used items into valuable resources, ensuring nothing they collect ends up in landfill. They've also created TonerPlas, an innovative product using recycled toner to improve roads.

For more information on Close the Loop, visit [closesthe-loop.com.au](https://www.closesthe-loop.com.au)
