

Bring your school supplies back and give your unwanted and lightly used stationery a second chance.

At Officeworks, we're committed to supporting people and the planet. Not just because it is the right thing to do, but also because it's important to you and to us.

Our Bring It Back program makes recycling easy, and to divert even more waste from landfill, we're giving schools the chance to repurpose and recycle their stationery through our stores.

## Get involved

1. Talk to your local Officeworks about getting a recycling box for your school.
2. Set up the recycling box in your school and display our list of recyclable items.
3. Once your recycling box is full of stationery, return it to your local Officeworks. Remember to let our team know if you've dropped it off.
4. Take your recycling box back to your school and start filling it up again!

Every time you return a box, your school will be entered into the draw to win an Officeworks gift card!\*
