## **OFFICEWORKS OPENS NEW STORE IN WARANA**

Officeworks is continuing to make bigger things happen with the opening of a new store in Warana, South East Queensland.

The store was officially launched on Tuesday, 18 May, making it the 167<sup>th</sup> Officeworks store in Australia. The new store will help create 15 more jobs for the local community and provide greater opportunities for customers to discover what Officeworks can do to help them work, learn, create, and connect.

We encourage families from Warana and the surrounding area to join us at the new store on Saturday May 22 from 10am to 3pm to celebrate with a Family Fun Day where we will be hosting activities involving traditional land owners the Gubbi Gubbi troupe and local community groups SunnyKids and the Kawana Waters Surf Lifesaving Club.

Team members at the Warana store are excited to provide customers with the advice and products needed for their work, learn, create and connect needs.

Officeworks Warana Store Business Manager, Cameron Foreman said: "Our team is looking forward to building relationships with the local community, and we are delighted to be able to help grow local businesses and make bigger things happen,"

"We are proud to offer great customer service with the widest range of products and everyday low prices. "This is a prominent location for our new store with plentiful car parks, multi-directional access and clear visibility."

The Warana store will feature more than 14,000 products including a great range of stationery, art and craft, education, technology, furniture and print and create services.

Officeworks launched its 2025 Positive Difference Plan in October 2020, which includes commitments such as taking meaningful climate action by using 100% renewable energy by 2025 and planting 2 million trees.

This store features several sustainability initiatives, including being coated in heat reflective paint, solar panels and soon to be installed onsite battery storage. Customers can shop a range of greener choice products, and recycle their unwanted products such as batteries, printers, laptops and pens and markers.

The new store is located at 264 Nicklin Way, Warana.
