Business furniture.

Quality, form and function.
Officeworks has all the furniture you need to create a stylish, comfortable workspace that speaks volumes about your business. We offer the widest range of high-quality products at low prices, plus our end-to-end Workspace Solutions service employs a highly skilled team of specialists to manage your furniture upgrade. Whatever you need for your business workspace, we're here to help you make bigger things happen.
Workspace furniture is an investment in your business, so it pays to have a brand you can trust to provide all your workspace needs.

**Highest quality, guaranteed.**
All our furniture comes with warranties of up to 10 years, from best-in-class manufacturers and suppliers. We also source furniture that meets rigorous manufacturing standards and has environmental certification for best practice.

**Widest range of business furniture.**
We sell everything from ergonomic chairs and height-adjustable desks to boardroom and breakout area furniture.

**Creating the ideal workspace for your business.**
With expert advice and tailored solutions, our Workspace Solutions Specialists can showcase products or provide advice for a complete office refresh or fit-out (see page 63).

**Browse and order easily.**
With 165+ stores nationwide and a user-friendly ordering platform, we make purchasing easy. Our Click & Collect service allows you to order furniture online and pick it up from your nearest store (see page 46).

**Receive and set up your furniture quickly.**
Take advantage of our next-day delivery service and furniture assembly service (page 46), so your new furniture is ready to use sooner.*

**Low prices guaranteed.**
Remember, all our furniture is backed by the Officeworks 5% price beat guarantee,* so you know you’re getting the best value for money.

To learn more about our full range of furniture, speak to a friendly team member in-store or visit officeworks.com.au/business-furniture

---

*Our price beat guarantee: if you find an identical stocked item at a lower price, we’ll beat it by 5%. Exclusions apply. See website for terms and conditions.
Choosing the right furniture for you.

Comfortable, functional furniture is a key contributor to productivity, focus and quality work. These icons help you quickly and easily identify the features and benefits of our wide range of business-grade products so you can choose the right furniture for you.

**Look for the AFRDI rated tick.**

- **AFRDI**
- **AFRDI Rated Load**
- **AFRDI Green Tick**
- **AFRDI Blue Tick**

Spending long, continuous hours sitting can add stress to your spine. Choose a chair most suitable to the number of hours spent at your desk.

Knowing the load limit of a chair is important to make sure it’s appropriate for its use.

These chairs let you adjust the height of the back to help improve your posture.

Seats with this icon let you lean back in your chair instead of sitting upright all the time.

The seat of these chairs can tilt forwards to improve your posture while working at a desk.

Chairs with adjustable armrests encourage good posture and can relieve tension from the shoulder and neck areas.

The whole chair is able to recline relative to the floor so you can find a comfortable seating angle.

It doesn’t matter what height you are, these seats have an easy height-adjustment feature.

**Desks and filing.**

- **High-quality business furniture, designed for 24/7 use and backed by warranties of up to 10 years.**
- **Sit stand desks allow you to adjust the height of your desktop so you can alternate between sitting and standing while working.**
- **Built-in cable management to help organise and easily identify cables, as well as keep your workspace clear.**
- **Scratch-resistant pieces help keep your workspace looking its best for longer.**

The Forest Stewardship Council provides an internationally recognised global certification scheme, ensuring that forests are managed responsibly. By choosing products with the FSC logo, you can be sure that the materials have been sourced sustainably.

**Set up your ergonomic workspace.**

Our ergonomic seating, adjustable workstations, desks and foot supports create the healthiest possible set-up for a productive and safe work environment. Our business furniture range is designed to optimise each person’s specific workspace.

Here are a few tips for setting up your ergonomic workspace.

- **Head**
  - Directly over shoulders without straining forward or backward, about an arm’s length from screen.

- **Neck**
  - Bangtled and relaxed.

- **Shoulders**
  - Kept down, with the chest open and wide.

- **Back**
  - Upright or inclined slightly forward from the hips. Maintain the slight natural curve of the lower back.

- **Elbows**
  - Relaxed, at about a right angle.

- **Wrists**
  - Relaxed and in a neutral position without flexing up or down.

- **Fingers**
  - Gently curved.

- **Keyboard**
  - Best when kept flat (for proper wrist positioning) and at or just below elbow level.

- **Screen**
  - At eye level or slightly lower.

- **Knees**
  - Relaxed and in a neutral position without flexing up or down.

- **Chair**
  - Sloped slightly forward to facilitate proper knee position.

- **Feet**
  - Firmly planted on the floor. Shorter people may need a footrest.
Seating.

Our wide selection of business-grade chairs includes ergonomic task chairs, stylish and comfortable executive chairs, and occasional chairs for reception and breakout areas.

Choose your level of service.

Delivery options.
We offer a variety of delivery options for customers located in metro areas, such as next-day delivery if an item is in stock. Regional and country areas are covered by non-metro deliveries. As deliveries to these areas involve travelling further, they incur charges and longer delivery times.

Large items that require extra handling may incur a charge of $39.95 for metro orders and take up to 3 business days for delivery. Special orders or items that weigh over 200kg may be subject to an additional delivery charge.

Click & Collect.
Delivery to your preferred store is FREE regardless of the amount of your order if you use our Click & Collect service. Products that are in stock at your selected store will be ready for collection within 2 hours. Products that need to be delivered to your selected store are subject to store delivery lead times.

Assemble-it service.
Let the experts from our Assemble-it service take care of the assembly of your newly purchased furniture. For a small fee, you can arrange for a furniture specialist to come to your business and turn a flat-pack into a fully assembled and ready-to-use piece of furniture in no time.

View the full range of business furniture online.
While this book contains a comprehensive selection of our business furniture, and our stores display some of the range, there’s a lot more available for purchase on our dedicated business furniture website. View the complete range at officeworks.com.au/business-furniture
