

# Business furniture.

Quality, form and function.

# Furniture you can rely on.

**Workspace furniture is an investment in your business, so it pays to have a brand you can trust to provide all your workspace needs.**

**Highest quality, guaranteed.**

All our furniture comes with warranties of up to 15 years, from best-in-class manufacturers and suppliers. We also source furniture that meets rigorous manufacturing standards and has environmental certification for best practice.

**Widest range of business furniture.**

We sell everything from ergonomic chairs and height-adjustable desks to boardroom and breakout area furniture.

**Creating the ideal workspace for your business.**

With expert advice and tailored solutions, our Workspace Solutions Specialists can showcase products or provide advice for a complete office refresh or fit-out (see page 60).

**Browse and order easily.**

With 165+ stores nationwide and a user-friendly ordering platform, we make purchasing easy. Our Click & Collect service allows you to order furniture online and pick it up from your nearest store.

**Receive and set up your furniture quickly.**

Take advantage of our next-day delivery service and furniture assembly service, so your new furniture is ready to use sooner.<sup>^</sup>

**Low prices guaranteed.**

Remember, all our furniture is backed by the Officeworks 5% price beat guarantee,\* so you know you're getting the best value for money.

To learn more about our full range of furniture, speak to a friendly team member in store or visit **[officeworks.com.au/business-furniture](https://www.officeworks.com.au/business-furniture)**

Prices valid until 30th April 2020. During this period prices within this publication may be lowered but will never be raised higher than advertised.

<sup>^</sup>Large item delivery to metro areas takes between 1 and 3 business days.

\*Our price beat guarantee: if you find an identical stocked item at a lower price, we'll beat it by 5%. Exclusions apply. See website for terms and conditions.

# Set up your ergonomic workspace.

Our ergonomic seating, adjustable workstations, desks and foot supports create the healthiest possible set-up for a productive and safe work environment. Our business furniture range is designed to optimise each person's specific workspace.

Here are a few tips for setting up your ergonomic workspace.

## Head

Directly over shoulder, without straining forward or backward, about an arm's length from screen.

## Screen

At eye level or slightly lower.

## Neck

Elongated and relaxed.

## Wrists

Relaxed and in a neutral position without flexing up or down.

## Shoulders

Kept down, with the chest open and wide.

## Fingers

Gently curved.

## Back

Upright or inclined slightly forward from the hips. Maintain the slight natural curve of the lower back.

## Keyboard

Best when kept flat (for proper wrist positioning) and at or just below elbow level.

## Elbows

Relaxed, at about a right angle.

## Knees

Relaxed and in a neutral position without flexing up or down.

## Chair

Sloped slightly forward to facilitate proper knee position.

## Feet

Firmly planted on the floor. Shorter people may need a footrest.

# Seating.

Our wide selection of business-grade seating includes ergonomic task chairs, stylish executive chairs and occasional chairs for reception and breakout areas. There are also drafting chairs, sit stand stools and ergonomic seating accessories to help you work comfortably.

# Workspace solutions you can count on.

## **What we do.**

As respected suppliers of business furniture, we specialise in sourcing, delivering and installing office fit-outs on time and to budget. We have strong supplier relationships and access to a wide range of office fit-out options, including bespoke furniture to fit within a certain space or achieve a desired result. We work with you to design the perfect workspace to help you make bigger things happen for your business. All our products are backed by warranties of up to 15 years.

## **How we do it.**

Our Workspace Solutions team is highly skilled and solutions driven. We are project managers, estimators and workspace strategists that offer a complete range of services, including:

- office fit-outs
- storage and filing
- space planning
- activity-based workspace strategy
- ergonomic solutions.

All projects are professionally managed and scheduled well in advance, with regular reports on the project's progress to help keep you up to date. Our experienced delivery and installation teams are well qualified and allow us to keep control of the project. They inspect all premises before work begins to investigate access and foresee any problems that may arise during installation. We are committed to safety in the workplace, and comply with OHS Standards (AS480).

### **Professional service from beginning to end.**

Our end-to-end Workspace Solutions service spans a broad range of services and has a number of unique benefits:

- Our Workspace Solutions Specialists work with customers in the early stages of the project, quantifying current and future furniture requirements.
- Our efficient supply chain and buying power means we can deliver quickly and at low prices.
- We can recommend ways to work more efficiently, reducing storage footprints and increasing collaborative areas.
- We provide comprehensive quotations and regular project updates.
- We can overlay all our findings to suit design plans.
- We will ensure accurate ordering of all furniture and prepare a schedule.
- We will deliver and install products on time and to budget.
- A final inspection ensures everything has been installed to our high standards.

### **Certified, sustainable and safe business furniture.**

We take pride in providing high-quality, fit-for-purpose business furniture, and ensure AUS/NZ certification for design and construction is met, such as the Australasian Furnishing Research and Development Institute (AFRDI) standards. We also provide products that are certified to environmental standards, such as Good Environmental Choice Australia (GECA) and Forest Stewardship Council (FSC).
