

Office Fitout & Consultation

“We specialise in sourcing, delivering and installing office fit-outs on time and to budget.”

As respected suppliers of business furniture, we specialise in sourcing, delivering and installing office fit-outs on time and to budget. We have strong supplier relationships and access to a wide range of office fit-out options, including bespoke furniture to fit within a certain space or achieve a desired result.

Officeworks have an extensive range of business furniture that is not generally available in-store or online. Officeworks buying power means we can source quality business furniture at lowest prices.

From ergonomic, executive and desk chairs to height-adjustable desks and versatile filing options, we have the right range to help achieve a solution that's perfect for any workspace.

All our products are backed by warranties of up to 10 years, including a range designed for 24/7 use.

How we do it.

Our Workspace Solutions team is highly skilled and solutions driven. We are project managers, estimators and workplace strategists that offer a complete range of services, including:

- office fit-outs
- storage and filing
- space planning
- activity-based workplace strategy
- ergonomic solutions.

All projects are professionally managed and scheduled well in advance, with regular reports on the project's progress to help keep you up to date.

Our experienced delivery and installation teams are well qualified and allow us to keep control of the project. They inspect all premises before work begins to investigate access and foresee any problems that may arise during installation. We are committed to safety in the workplace, and comply with OHS Standards (AS480).

Professional service from beginning to end.

Our end-to-end Workspace Solutions service spans a broad range of services and have a number of unique benefits:

- Our Workspace Solutions Specialists work with customers in the early stages of the project, quantifying current and future furniture requirements.

- Our efficient supply chain and buying power means we can deliver quickly and at lowest price.
- We can recommend ways to work more efficiently, reducing storage footprints and increasing collaborative areas.
- We provide comprehensive quotations and regular project updates.
- We can overlay all our findings to suit design plans.
- We will ensure accurate ordering of all furniture and prepare a schedule.
- We will deliver and install products on time and to budget.
- A final inspection ensures everything has been installed to our high standards.

Certified, sustainable and safe business furniture. We take pride in providing high-quality, fit-for-purpose business furniture and ensure AUS/NZ certification for design and construction is met, such as the Australasian Furnishing Research and Development Institute (AFRDI) standards.

We also provide products that are certified to environmental standards such as Good Environmental Choice Australia (GECA) and Forest Stewardship Council (FSC).
